

I am a daily listener to K-Love radio station. I listen all day long, it inspires me, calms, me, encourages me and reminds me that I serve a Mighty, Loving God. I need K-Love, we all need it. Our local community would be hurt if K-Love were to be displaced by an LPFM broadcaster. It is in the best intrest of all if it weren't displaced. Please don't change it. May God Bless you, Leslie Hatfield
